

Where do you start?

Two pathways. Both built on the same tools. Start wherever makes sense.

PERSONAL PATHWAY

For individuals, couples & families

Understand how you're wired and use it on purpose — in your role, your relationships, and how you structure your week.

- 01 Express** Individual debrief of your assessment results
- 02 Explore** Where you're working with your grain — and where you're not
- 03 Evolve** An operating picture you keep using on your own

TEAM PATHWAY

For leadership teams

Something isn't clicking. Find out what, give the team a language for it, and build habits that stick.

- 01 Uncover** Full-day LEGO® Serious Play® diagnostic
- 02 Unpack** Shared language for your team's differences
- 03 Upgrade** Monthly curriculum built around your gap

- Accountability Reset

Team-directed curriculum

Express → Explore → Evolve

For individuals, couples, and families.

STEP 1

Express

1 hour per person

- Assessment overview and results review
- Expectations vs. reality surfaced
- Personal issues list, built with real examples
- Issues ranked by priority

STEP 2

Explore

Between sessions

- Both profiles reviewed together
- Overlapping friction patterns identified
- Top 3 issues proposed
- Teaching points prepared from assessments

STEP 3

Evolve

90-minute session

- Combined issues list confirmed together
- Practical strategies applied to your profile
- Structured problem-solving through top issues
- One commitment to work on together
